## IDEAL FOR:

**Cleaners working in commercial, residential, health and domestic situations and requiring the skills to supervise a team of cleaners**

# New Zealand Certificate in Cleaning (Level 3) *Supervision Strand*

## Qualification and programme overview

This qualification will provide the cleaning sector with a workforce that can deliver, guide and promote safe and high-quality cleaning services. This is designed for cleaners working in commercial, residential, health and domestic situations. The supervision cleaning programme incorporates core compulsory units of the general programme and specific units to be able to supervise a team of cleaners.

### The programme includes developing and/or recognising the following competencies in your staff:

- Carrying out generic cleaning duties autonomously and efficiently.
- Applying an understanding of health and safety legislative requirements when responding to risks for themselves and others in the workplace, and for the general public.
- Providing direction to a team of cleaners.

### Learning and assessment resources

Paper-based learning and assessment resources are available. These can be customised to your organisation. Get in touch with your Workplace Advisor to find out more about accessing our resources.

### Supporting you

*Careerforce is a division of Te Pūkenga. We support workplace-based training, enabling employees to achieve nationally recognised qualifications, and deliver superior outcomes across the health and wellbeing, social and community, cleaning and urban pest management sectors.*
