## About Careerforce

Careerforce is a business division of Te Pūkenga - NZ Institute of Skills and Technology. We support employers across New Zealand to run workplace training programmes for the health, mental health, aged care, disability, social services, youth work, cleaning and pest management sectors. We provide quality accessible and flexible programmes that allow staff to achieve nationally recognised qualifications on the job.

## What you'll do

The purpose of this role is to engage with workplaces, determine present and future training needs and implement solutions to support workforce capability.

Assisting with the development of training plans, monitoring these plans and developing meaningful relationships which enable the achievement of national qualifications in a timely fashion. This involves working towards Tertiary Education Commission (TEC) priorities and the Careerforce Business Plan.

### Activity: Client Management

Manage a portfolio of clients within a region and/or nationally. Support regional cross sector development and relationships.

Provide solutions to support trainees' timely completion of qualifications and monitor their ongoing progress.

### Performance Measures:

- Employers and trainees receive accurate information that will enable them to make informed decisions around qualifications, pathways and training options.

### Activity: Stakeholder/Sector Engagement

Attend and participate in relevant meetings and training days and provide input and collegial support of colleagues.

To be a key point of contact for other Careerforce Workplace Advisors (CWAs) and Careerforce staff for national sector relationships in areas of responsibility.

### Performance Measures:

- Regular attendance and full participation at meetings and training days as required.

### Activity: Assessor, Verifier and Educator Support

Work with the other Careerforce staff to support initial and ongoing development of assessors and verifiers.

### Performance Measures:

- Assessors are informed and active.

Work with other Careerforce staff to support workplace education and educators.

Roving assessors assigned to workplaces through a negotiated and planned process. Manage roving assessors within specific sectors.

- Workplaces have adequate assessors and verifiers (either individual or shared across sites) to support assessment and verification of national qualifications.

### Activity: Māori and Pasifika Liaison and Support

### Performance Measures:

Identify regional and national Māori and Pasifika agencies and providers and provide targeted advice and support that aligns with their needs and aspirations.

- Evidence of positive engagement with Māori and Pasifika agencies and providers.
